"Knowing Jesus and Making Him Known"

12 January 2008

Potential men's leadership discipleship participants:

I would like to personally invite you to participate in our upcoming men's leadership discipleship course. Jesus ministered to the multitudes, He taught the many hundreds of disciples, but he trained twelve men. What did He teach these twelve men? He taught and modeled for them, Godly, biblical leadership. This is our motive behind the training. The training is not limited to our local fellowship, but to those who desire to be Godly, biblical leaders, first at home, and secondly in ministry calling. God has burdened my heart regarding three specific areas of men's leadership training:

1. Biblical Vision
2. Biblical Preaching/Teaching
3. Biblical Guidance

Therefore, the course schedule has been designed to concentrate on these areas.

The course will include:

- **Meetings every first & third Monday @ 7:30PM** – teachings from scripture (the course has been revised to require only two Mondays per month)
- **Select MP3 audio teachings**
- **Related books on the subject of men's leadership**
- **Total cost of materials is £75**, which is payable over the year
- **Hands-on servanthood** – at least four 1-day projects we will work on together over the next year, consisting of assisting those in need in our local community

The first date of this course is set for Monday 4-February-2008, @ 7:30PM. As you will see by the attached schedule, it is a yearlong endeavor. I realize that this is a big time commitment. You have a few weeks to pray about your participation. Please, please, please, pray with your families about this commitment, and discuss the requirements of the time commitment with them. If you do decide to participate, simply contact me by phone or email. If you have questions, feel free to call me.

With all the love of Jesus,
